Boat Model	32ST
Boat Year	2023
System	Ride 600
Length Overall	32' 7"
Beam Overall	9' 8"
Engine Configuration	2x Mercury 400hp
Displacement	11,500 lbs.

## Test Conditions

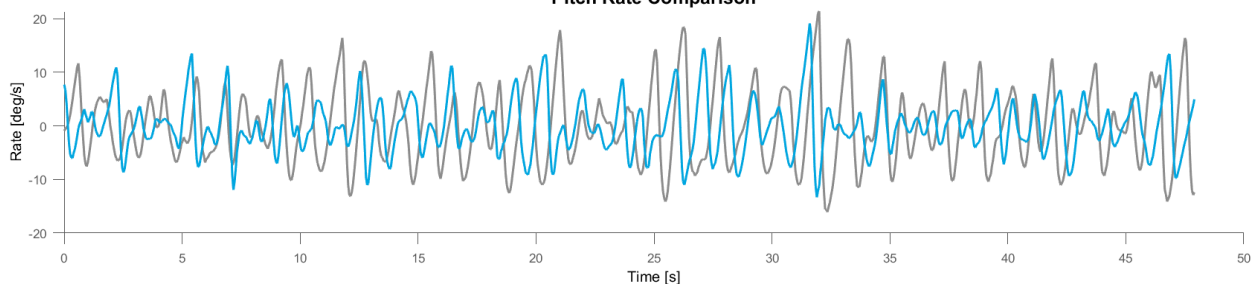

Date	June 30, 2023
Location	Atlantic City, NJ
Speed	37 mph
Seas	Following
Sea Conditions	3-4 ft. at 4 seconds

Following  
Roll Rate Comparison

Pitch Rate Comparison

Performance results are measured with the system on and off as a reduction of standard deviation in pitch and roll rates at all frequencies at a constant heading and speed.
