Boat Model	Morada 24
Boat Year	2024
System	Ride 450
Length Overall	24' 0"
Beam Overall	8' 6"
Engine Configuration	1x Yamaha 300hp
Displacement	2,850 lbs

Test Conditions

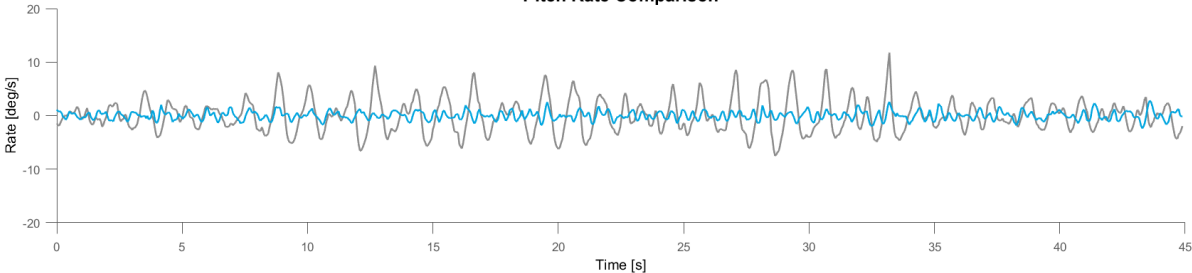

Date	November 3, 2023
Location	Stuart, FL
Speed	30 mph
Seas	Following
Sea Conditions	1 ft. chop, wind 25-35 kts.

Following
Roll Rate Comparison

Pitch Rate Comparison

Performance results are measured with the system on and off as a reduction of standard deviation in pitch and roll rates at all frequencies at a constant heading and speed.
