Engine Configuration	2x Mercury 250 hp
Displacement	10,181 lbs.

Test Conditions

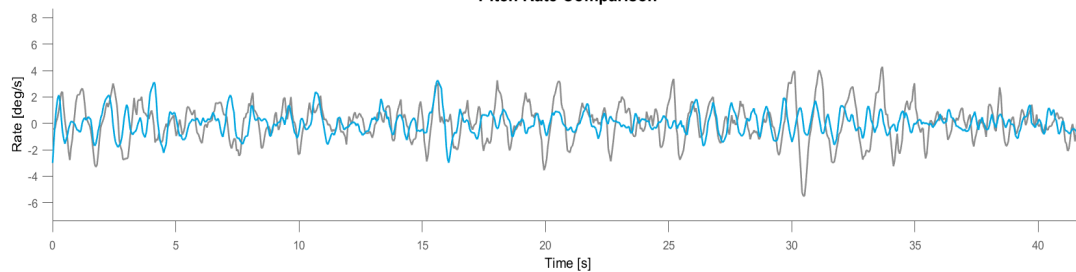

Date	April 30, 2024
Location	Miami, FL
Speed	35 mph
Seas	Beam
Sea Conditions	1 ft. at 3 secs.

Beam
Roll Rate Comparison

Pitch Rate Comparison

Performance results are measured with the system on and off as a reduction of standard deviation in pitch and roll rates at all frequencies at a constant heading and speed.
